#2 Budget:

Providing us with a budget “range” will really help us put forward our best and most appropriate entertainment recommendations for your event.

#3 Rigging and Venue Capabilities:

In order to hire aerial acts for your event we will need to be sure the venue you have chosen is capable of rigging A2D2 certified equipment. For aerial acts a minimum of 15' ceilings are required for aerial hoop and hammock. **For all other aerial apparatus' a minimum of 18' ceilings are required.**

How do you know if you can rig at your event?

When it comes to rigging A2D2 has a team of trained professionals that will assess and make best recommendations for your space. Please provide us with your venue and venue coordinates and we would be happy to investigate the facility capabilities for you.

#4 Why Choose A2D2?

Not only do we provide extraordinary cirque entertainment, A2D2 is closely affiliated with parent company **DeAngelis Entertainment- Providers of Quality Live Musical Products**. From big bands, to cocktail trios, to full symphonies to the stage of Carnegie Hall, DeAngelis Entertainment is bound to add class and sizzle to your next event.

A2D2 ~Aerial Dance Cirque Company General Pricing

Aerial Acts:

Prices begin at \$1050 CDN
(and go up from there)

Floor Acts:

Prices begin at \$350
(and go up from there)

All Prices Include:

Creative customization, costuming, music, musical editing, rehearsals, administration, local transportation, insurance certificate

Extras/Add-On Costs:

1. GST(currently) and HST (as of June 2010)
2. **Rigging:** For most aerial acts an add-on **rigging charge** is required. This cost can range from **\$600 to \$1200** depending on venue ceiling logistics. This cost can only be ascertained by a formal site inspection.
3. **Geni Lift:** If your venue does not have an aerial lift on site [such as a geni lift, scissor lift, skyjak etc] then you will need to pay for **the** rental of an aerial lift suitable for your venue. This cost can range from **\$300 to \$2000** depending on the venue specifications. Many venues already have an aerial lift in-house so this cost can often be averted entirely.
4. **Union Charges:** Some venues have in-house unions who handle all aerial work [including AV, Décor and Cirque]. Every union has separate rules and regulations concerning aerial rigging. Any such union charges will be billed to the client and are NOT the responsibility of A2D2 Inc. A2D2 will work with the union to ensure flawless execution.

Technical Requirements:

- For **Aerial Acts**: ceiling must be a minimum of **18 feet high**
- For **Aerial Acts**: Aerial points [supporting beams, eye hooks etc] must be rated appropriately for **dynamic loads** [minimum one tonne or more]. Rating to be assessed independently by A2D2 certified rigger(s).
- For **Floor Acts**: Ideally stages must be **24 x 24** in size (clear area –no podiums, cords etc)
- **For All Acts**: **Sound System** with CD or MP3 play back capabilities
- **For All Acts**: Load in and Load out access schedule
- **For All Acts**: Events schedule/timeline
- **For All Acts**: Male and female change rooms (near a washroom preferable), private and secure
- **For All Acts**: Water and light refreshments in change room for performers and crew

Booking Procedure:

In order to confirm your booking a **formal contract must be signed and fully executed**. Upon signing, a **deposit of 50% is due**. Remainder of payment is due on OR before the event date. After this process is complete your booking is confirmed.

A2D2 Testimonials

I just wanted to once again tell you how thrilled we were to have you representing Las Vegas at the Incentive Works show. The three of you were truly a pleasure to deal with and your performances were exhilarating! I will do my utmost to recommend you to anyone seeking one-of-a-kind entertainment.
